PREMEDICAL SCIENCES

**23% HIGHER ACCEPTANCE
RATE INTO MEDICAL SCHOOL
THAN THE NATIONAL AVERAGE**

"The UM pre-med program stoked my desire to pursue a career in medicine, provided an excellent educational foundation, and allowed me to develop the requisite skills to become a successful physician."

— DR. CASEY CABLE

UM ALUM, DOCTOR
OF VASCULAR AND
INTERVENTIONAL
RADIOLOGY

ROBUST & POSITIVE ADVISING

UM's Premedical Sciences program (GrizMed) offers advising, with timely access to any of our advisors resulting in an acceptance rate well above the national average

"Premed advising at UM goes above and beyond expectations every day. Advisors connect students with volunteer and research opportunities, host workshops and study sessions, and provide

guidance to every student throughout their undergraduate career and application process.

UM advisors take the time to get to know their students; it is so easy to schedule one hour-long appointments to discuss getting help in your classes, writing a personal statement, or celebrating acceptances into medical school."

— ELLEN MYERS,
UM ALUM, GYNECOLOGY FELLOWSHIP,
CHAPEL HILL, NC

SHADOWING OPPORTUNITIES & VOLUNTEERING ACTIVITIES

"UM provided opportunities for unique classroom experiences in shadowing, global health, and volunteer activities and were a large part of my success!"

— DR. AMY SMITH
UM ALUM, OBSTETRICS & GYNECOLOGY SPECIALIST
